

BELFAIRS UPDATE

COMMITMENT • RESPECT • EXCELLENCE • SELF-BELIEF • STRENGTH

What an emotional end of term. Our students have been resilient in their endeavour to engage with online learning and produced work that demonstrates skills and knowledge have progressed over the lockdown period. They have engaged with competitions and the tutor programme. Year 11 and 13 have had to come to terms with a totally different end of year than they would have imagined. All our students have shown the values of the academy and that is credit to themselves and you as parents/carers who have shown total support in all our endeavours in learning from home. In addition, thank you to the parents who responded to our survey.

In September we will be welcoming all our students back to the academy. Attached is our first letter to you explaining the start of the academic year. We will send out a further letter at the end of August giving you more details. We will also be recording a video to explain how the day will look for your child, for those of us that are more visual learners! We just thought it would be useful for you to 'see' it in action. In addition, over the summer we will put up the risk assessments and letters, all of this information will be on our Covid-19 page.

From all your messages I know you want to send a big thank you to all my staff who have been simply amazing during this time and have accepted a new style of working with ease. The teachers, admin, ICT and welfare team have all worked so well that it has all seemed seamless and on top of that we have a brand-new building to move into.

I have enjoyed 'talking' to you every Friday and hopefully you have found the communication useful.

Enjoy the summer break and we look forward to welcoming your children back in September.

Take care, keep safe.
