

MATHS TEACHER

Pay Range – dependent upon experience
Required for September 2019

Legra Academy Trust provides high quality, high impact, early years, primary and secondary education in Essex. Working together, we make a huge impact on the lives and education of both our young people and staff. We are committed to providing professional development for both our staff and governors, in order to achieve sustainable improvement.

An opportunity has presented itself for a professional to be part of a Maths team excited about teaching students who are enthusiastic about their career aspirations.

Are you starting in your teaching career and seeking development? Or are you an experienced practitioner who is still committed in delivering outstanding student outcomes.

You will, together with the team contribute to an innovative curriculum that deliver student centred outcomes.

Do you have a real passion for Maths that inspires students?

This is your opportunity!

We welcome applications from a practitioner who can demonstrate their passion and expertise in supporting student centred outcomes.

If you feel that this could be the exciting opportunity and career advancement or change you are seeking and would like to find out more please apply to
lindsey.corben@legratrust.org.uk

Belfairs Academy is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Following safer recruitment procedures, this appointment will be subject to an enhanced disclosure from the Disclosure Barring Service and satisfactory references. Belfairs Academy is an equal opportunities employer and we are committed to positive employment policies to promote equal opportunity in employment.

Closing Date for Applications: 10th May 2019
Interviews week commencing: 13th May 2019

Additionally as part of your application we request that you also provide a statement (approximately 2 sides of A4) detailing what you will bring to the position and how you will contribute to the success of the Maths Department.
